Proposed Farm or Forestry Building Works

What farm or forestry works are proposed? *

- ☐ A new building
- ☐ An extension to an existing building
- ☐ An alteration to an existing building
- ☒ To form or alter a private way

What is the purpose of the proposed development? * (Max 150 characters)

Farm vehicle access

Please describe the materials to be used and the manner of construction of the private way: * (Max 500 characters)

The private way will be constructed using a 300mm consolidated hardcore sub-base, compacted in layers to provide a stable foundation, with a 100mm consolidated tar planings surface course, thoroughly compacted to form a durable and serviceable finish

Please describe the proposed design of the private way: * (Max 500 characters)

The private way will be a single track farm access road constructed to provide safe and durable farm vehicular access. It will follow the existing field fence line from the public road to the existing gateway into the adjoining field. The track will consist of a 300mm consolidated hardcore sub-base with a 100mm consolidated tar planings surface, compacted to form a stable running surface, with an appropriate cross fall to prevent surface water accumulation.

You must provide a site plan detailing the route the private way is to take. Please tick the box to confirm that you will attach a valid site plan:*

- ☒ I confirm that I will attach a site plan giving details of the location of the private way
